We are thrilled to welcome all our attendees, sponsors, and exhibitors to this year's Halloween-themed Fall Convention and Trade Show: **No Tricks, Just Treats: A Spooktacular Symposium on Senior Living Care**. The air is crisp, the pumpkins are glowing, and we couldn't be more excited to gather together for a few days of learning, networking, and a little seasonal fun.

To our attendees: thank you for joining us as we explore new ideas, share best practices, and discover fresh opportunities—your engagement is what makes this event truly come alive.

To our sponsors: we are grateful for your support. Your commitment helps us create a meaningful experience filled with both professional growth and a touch of Halloween magic.

And to our exhibitors: we're excited to see the "treats" you've brought to showcase. Your innovations and services are the heart of our trade show floor, and we can't wait for attendees to stop by your booths.

So put on your best costume—or at least your best smile—and get ready for a convention that's full of energy, connections, and maybe even a few delightful tricks and treats. Together, we're brewing up a convention that promises to be wickedly wonderful!

TRADE EXPO RULES

Please pick up your card at the registration area or at the trade show which is going to be held at the Sweetgrass Pavilion just as the show opens at 1:30 pm.

- To receive CEU's, you must remain in the area until 4:00 pm. We cannot give ceu's if you go through the trade show too quickly and turn your card in early so you will need to remain in the area until at least 4:00 pm.
- Please be polite and courteous to exhibitors. You may inform them in a nice way their services are not of interest to you or your company. Take the time to learn about their company and pick up some fun swag on the way! Also, we are appreciative they support the association by participating in our events so let's thank them for participating! They often bring cool things to give away and raffle prizes so we can thank them for making our event a lot more fun!
- Drawings will begin around 3:30 pm and you must be present to win! Drawings will be done in the exhibit hall this year.
- Please do not crowd behind one exhibitor. We encourage only 1-2 attenders at a time at the exhibit booth as there are so many booths to visit and also so many of you! It can be overwhelming to exhibitors to have so many attendees at their exhibit booth at once so fan out during the show.
- Vendors will sign your card. Return your signed card at the end of the trade show to the SCALA registration desk. You will receive a keyword to write on your certificate for the completed exhibit card. To receive credit, individuals must get signatures from all exhibitors present.
- **If an exhibitor is absent, they cannot sign or stamp the document, so leave that field blank.** You only need signatures from the exhibitors that are present. It's not possible to obtain signatures from exhibitors who are not present, so you don't need to ask us about those who are not attending the show. Simply leave those fields blank if we have any exhibitors who are not making it.
